

DOCTOR (M/W/D)

AIDA is one of the most innovative and successful cruise companies in the world. Our fleet will continue to grow in the coming years. Specialists and executive staff members have first-rate career opportunities with us.

Come and join the AIDA family! We are currently recruiting on board our ships.

Your chartered Goal

- Qualified medical care of guests and crew on board
- Holding consultations, care of guests in the in-patient hospital area, and provision of on-call service for guests and crew members
- First point of contact for the captain with regard to medical and hygiene issues
- Regular organization of ongoing first-aid training for the crew; ensuring proper organizational and technical hospital operations in conjunction with the landside Medical Department
- Involvement in ship-side reporting with regard to medical, legal and organizational issues

Your previous ports of Call

- Training as a specialist for general medicine, surgery, internal medicine or anesthesia and sound knowledge of general medicine
- Training as an emergency doctor (specializing in emergency medical services) and experience of acute care and emergency medicine
- X-ray qualification, verified completion of a valid radiation protection course, knowledge of ultrasound diagnostics; additional qualification in diving medicine desirable
- Very good knowledge of English and German, confident MS Office skills
- Strong sense of responsibility, sensitivity, and ability to work on your own initiative

Take your career to new places with us! We look forward to receiving your complete application, as an online application at www.aida.de/careers.
