

NURSE (M/W/D)

AIDA is one of the most innovative and successful cruise companies in the world. Our fleet will continue to grow in the coming years. Specialists and executive staff members have first-rate career opportunities with us.

Come and join the AIDA family! We are currently recruiting on board our ships.

Your chartered Goal

- Qualified medical care of guests and crew on board
- Support of the ship's doctor in the implementation of the consultation hours as well as the joint responsibility for administrative tasks, for example reporting in English
- Carrying out various examinations (laboratory, ECG, lung function)
- Taking care of passengers and crew members in the inpatient and intensive care hospital area, during consulting hours and when on call

Your previous ports of Call

- Degree as Nurse
- Several years of professional experience, including at least 6 months in emergency medicine (intensive care unit, emergency room or anaesthesia)
- Very good knowledge of English and German and a confident use of MS Office
- Teamwork oriented, able anyway to work independently and on own initiative

Take your career to new places with us! We look forward to receiving your complete application, as an online application at www.aida.de/careers.
